YOUR INVESTMENT MATTERS.

In the 22 years since our founding, a lot has changed, but what hasn't is our commitment to Coloradans and the unwavering support of donors like you. We have and will always strive toward ensuring that our health care system should work for all Coloradans.

You have helped us make systemic change that benefits communities across the state. You have helped us fight against pervasive and persistent health disparities. You have stood alongside us at the Capitol, changing hearts and minds to expand coverage and protect the vulnerable. Your investment in our work has led to extraordinary progress.

WHAT IS THE CHAMPIONS CIRCLE?

The Champions Circle is a group of individuals who have donated at least \$5,000 to Center for Health Progress over the course of their lifetime. New Champion's Circle classes are inducted every two years. They are recognized at HEALTHtalks, our Annual Luncheon, and receive a personalized trophy.

Donations will be earmarked for general operating support, providing anchor funding so we can grow in depth and width, helping us increase our impact and achieve our mission and vision. Members will receive permanent recognition at our offices and on our website, plus a variety of additional benefits. We hope you will become part of the Champions Circle because YOU are the reason why we can continue our mission!
